

THE ECLIPSE SE SPECIAL EDITION

REFURBISHED ECLIPSE 500
TWIN-JET

JETLOUNGE

SE

Factory certified to fly like new

The Eclipse SE a factory-refurbished Eclipse 500 that has been upgraded with nearly all the innovative features introduced on the Eclipse 550, such as the dual Avio integrated flight management system, Anti-Skid brake system, Auto Throttle, PPG glass faced windscreens, standby display unit, etc.

With the Eclipse SE you will not only save several hundred thousand dollars compared to our nearest competitor, but your cost of ownership will be such as transparent and predictable as with the Eclipse 550. The Eclipse SE has the lowest acquisition cost of any twin-engine jet in the sky today.

This Special Edition replaces the Total Eclipse series, and comes with a new interior/exterior, a three-year factory warranty and Eclipse Advantage maintenance program that covers all required scheduled inspections. It is factory supported and delivered with all mandatory and recommended Service Bulletins completed and a P&WC Gold ESP engine plan paid through the date of delivery. When you purchase the Eclipse SE, you will receive one initial type rating.
