THE JETLOUNGE

THE JETLOUNGE is a total of three areas, 650 sqm of space available for any kind of corporate or private event, workshop or seminars as well as video, film and photo shooting. It can fit up to 300 people.

Our venue is exclusive, unique, new and offers a spectacular venue. In addition to the hangar, we have an office for meet & greet and a huge roof terrace with a perfect overview of the Groningen Airport Eelde.

Reserve early and plan to make a big impression by being creative and having your event in one of the most unique venue you have ever experienced!
